

WASHINGTON MILITARY DEPARTMENT

"Citizens Serving Citizens With Pride & Tradition"

CONSTRUCTION AND MAINTENANCE PROJECT SPECIALIST 1 – MILITARY (70530)

\$3,079 - 3571 per month (range 45E)

Opens: September 27, 2005

Closes: October 18, 2005

WHO MAY APPLY

This recruitment is open to anyone who meets the requirements.

LOCATION

There are currently two openings on the Capital Crew at Camp Murray (near Fort Lewis). One position specializes in structural work and the other in heating, ventilating, and air conditioning (HVAC) work. This register will be used to fill vacancies with the Washington Military Department as they occur at Camp Murray in Tacoma (27.7).

KEY RESPONSIBILITIES

General Duties

As a member of the Capital Crew Team, performs multi-skilled journey-level work in the building and construction trades which includes but is not limited to:

- Performing construction work on roads, pathways, fences, structures, facilities, mechanical and electrical systems and fixtures.
- Asbestos abatement work.
- Plumbing work.
- Installing, repairing, and altering electrical services and distribution systems (under 600 volts).
- Energy conservation work (insulation, foam, caulking, weather stripping, etc).
- Installing, repairing, and altering doors and windows.
- Installing, repairing, and replacing roofing systems.
- Operating heavy equipment (backhoe, dump truck, dozer, grader, etc).
- Operating construction tools, equipment and power tools.

Structural Speciality

- Performs structural layout and framing of structural components.
- Performs horizontal and vertical concrete construction.
- Performs exterior and construction finishing.

HVAC Speciality

- Uses knowledge of heating, ventilation, air conditioning (HVAC) fundamentals to plan and layout HVAC work.
- Installs, repairs, and alters HVAC systems.

CONDITIONS OF EMPLOYMENT

- These positions are covered by a union shop provision. Therefore, as a condition of employment, candidates who are appointed are required to become members of the Washington Public Employees Association, or arrange to pay to that union a fee equivalent to its regular monthly dues. The union shop provision shall be effective on the first day of the month following the employee's initial 30 days in this classification.
- Must be willing and able to work at separate locations statewide (approximately 25 percent of the time); with overnight stays three to four nights a week to complete projects.
- The Washington Military Department supports the National Guard. Employees must interface with uniformed members of the National Guard in a cooperative and productive manner.
- Must be willing and able to be a Washington State certified asbestos worker (at agency expense) and perform asbestos abatement work.

REQUIREMENTS

- Two years as a General Repairer; OR
- Completion of recognized apprenticeship as a journey-level worker; OR
- Journey-level status in a construction and/or building trades or four (4) years of equivalent work experience.
- Vocational training up to two years will be substituted for the experience requirement.

Specialized Requirements (Structural)

- One year of experience planning, estimating and performing structural building trade work; and
- One year of experience performing drywall and other finish carpentry work.

Specialized Requirements (HVAC)

- One year of experience performing journey level HVAC work and
- One year planning or estimating HVAC jobs or projects.

HOW TO APPLY

Send a completed Washington State job application and your responses to the supplemental questionnaire.
